A successful season for the Mohawk Trail girls basketball team came to a close on Wednesday.

After winning just one game in 2022-23 and six games last winter, the Warriors closed out the regular season with an 11-9 record to qualify for the MIAA Div. 5 state tournament for the first time in program history.

Earning the No. 39 seed, Mohawk Trail traveled to face 26th-seeded Holbrook in the preliminary round on Wednesday but the Warriors were unable to earn a win, as the Bulldogs walked away with a 63-25 victory.

Holbrook (13-8) advances to face No. 7 Douglas in the Round of 32.
